

MOR/RYPDE[®] SERVICE CENTER

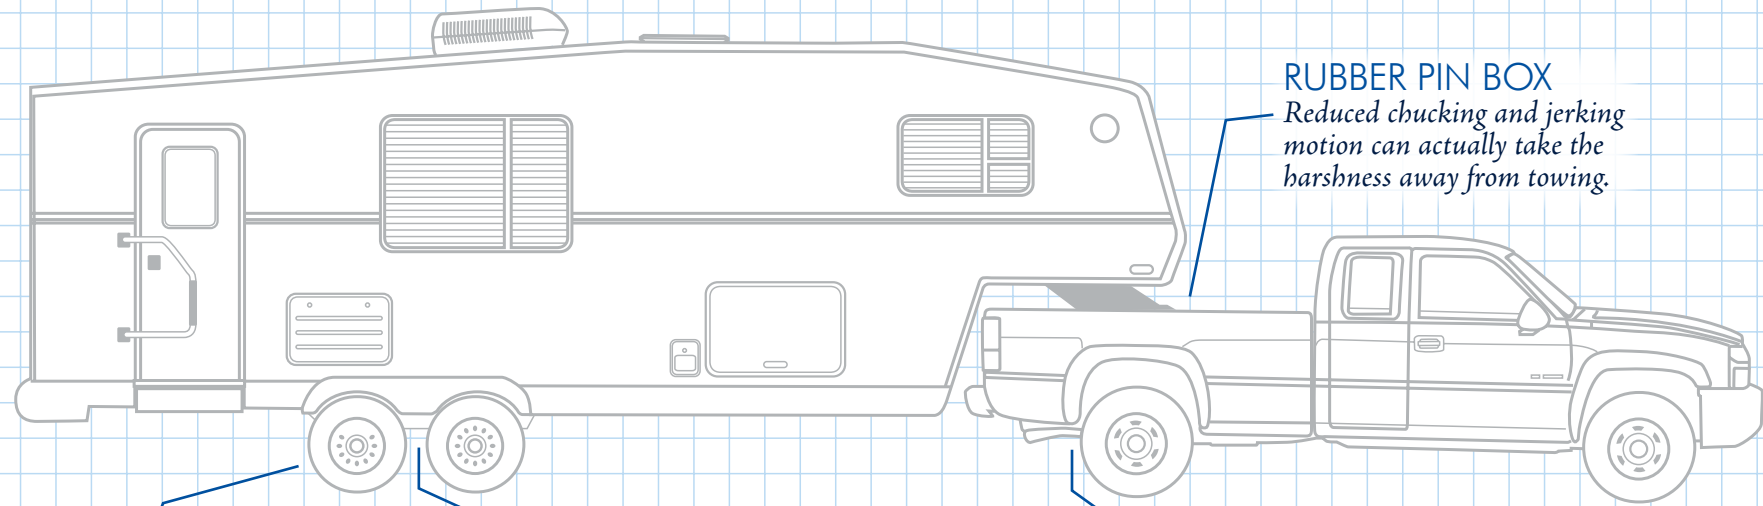

FOR EXTREME SERVICE & PERFORMANCE

SMOOTHING OUT THE ROUGH SPOTS

MOR/RYDE SERVICE CENTER

LEAVE ROUGH TOWING BEHIND

RUBBER PIN BOX

Reduced chucking and jerking motion can actually take the harshness away from towing.

DISC BRAKE / DRUM BRAKE

For superior braking performance choose from disc or electric drum brakes.

INDEPENDENT SUSPENSION/ RUBBER EQUALIZER

Provide excellent towing smoothness and better protection of the trailer from damaging road shock.

RUBBER LEAF SUSPENSION

Makes the truck ride smoother, whether you are towing a trailer or riding empty.

MOR/RYDE EXTREME SERVICE (mohr-rahyd • ik-streem • sur-vis)

1. Professional installation of products that perform as advertised. 2. Customer service that is second to none. 3. A philosophy of doing business that relies on integrity and doing the right thing. 4. Hospitality that centers around making our guests feel very welcome.

At the MOR/ryde Service Center, *extreme service* begins when you make your appointment by phone or e-mail. It continues when you come to our Service Center and are greeted by our friendly office staff. You will meet our Service Manager who will show you where you can spend the night in your own rig. Enjoy full

electrical hook-ups, cable, and internet. We encourage you to come to our place the day before your appointment and spend the night. We will start work early the next morning installing the MOR/ryde suspension system you have selected or performing the desired services. You will have access to a comfortable lobby with coffee, soft drinks and doughnuts. At noon we will provide lunch for your convenience.

Extreme Service is designed to make your stay with us as comfortable as possible.

- Conveniently located off 80/90 Toll Road

Service Testimonials

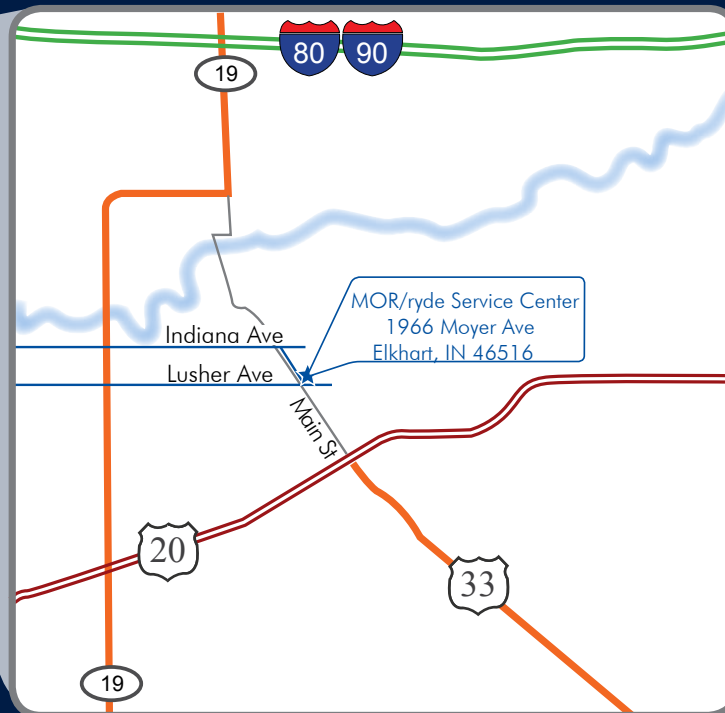

Don't just take our word for it. Take it from our satisfied service customers...

"I cannot say enough nice things about MOR/ryde and the service they extended to me. The product is outstanding, but the people and the way they stand behind their product is hard to find these days."

- **C. Goodman**

"Everyone from the technicians, engineers and the updates from the service manager, we appreciate all that was done for us. Thank you very much." - **S. Hermann**

"Excellent service. Professional workers. Could not be better satisfied." - **M. Jenkins**
