

Simple. Safe. Secure.

THE CHAIR BUDDY™

The Chair Buddy™ eliminates bulky, awkward straps and securely holds your dinette chairs in place*.

- Conveniently secures dinette chairs
- Prevents interior damage
- Adapter available for tables without center post (Sold separately)
- Quickly folds up out of the way when chairs are needed
- Installs in minutes

Look for the “T”

* The table post must have a flat surface parallel to the side of the table where the chairs are stored and the mounting area must be at least 2" wide x 4" tall. The adapter plate can be used if the table does not meet these requirements.

Above. Beyond. Always.
