

PATIO RAIL TABLE

PRE-INSTALLATION INSTRUCTIONS

The Patio Rail Table only works with MORryde rear-exit, rear patios that utilize the following patio corner brackets:

INSTALLATION INSTRUCTIONS

There are two Patio Rail Tables available: curb side (SP56-320-CS) and road side (SP56-320-RS).

STEP 1

Ensure that the pin is hanging loosely by lanyard and not engaged inside the hole in the top side of the tray.

STEP 2

While making sure both mounting brackets are around both tubes, slide tray onto patio corner.

STEP 3

Turn knob until latch is vertical and tube is locked into place.

STEP 4

Place the pin through the hole in the top side of the tray and through the hole in the mounting bracket.

Above. Beyond. Always.
