NEW FEATURES!

1 QUICK RELEASE HINGE:
Allows for easy removal in tight spaces or when the unit is in storage.

2 WIDE TOP STEP:
Larger top step for safe and secure footing.

3 GRADUAL STEP SLOPE:
Redesigned step slope allows for full-foot placement on each step as you enter and exit your RV.

4 SELF-CONTAINED STORAGE:
Stores securely inside the door for easy access.

5 QUICK RELEASE LEG ADJUSTMENT:
Auto-deploy legs adjust and retract with a push of a button.

STEPABOVE®

Upgrade your trailer or 5th wheel with our innovative StepAbove step system to give you bounce-free, wobble-free stability. With adjustable feet, rough terrain is no problem for your StepAbove. Easily store and lock your StepAbove into your door entrance.

FEATURES

- Lightweight
- Stable entry to and exit from your RV
- Wide top step
- Quick-release leg adjustment
- Gradual step slope for easier usage
- Easy removal in tight spaces

BEFORE YOU ORDER A STEP review the **Strut Assist Qualification Guide** to determine the correct StepAbove for your unit.
Visit MORryde.com for details.

QUICK CONNECT STEP

Add sure footing into and out of your motorhome with ground-stable, removable Quick Connect RV entry steps. Easily detach your step system with quick-release latches. Even on rough terrain, adjustable feet give you bounce-free, wobble-free stability.

FEATURES

- Lightweight, removable design
- Durable construction
- Quick-release paddle latches
- Adjustable feet
- Industry-leading 500 lb weight capacity

Adjustable feet

Quick-release latch

QUICK CONNECT FIT CHART

	PART NUMBER	STEP HEIGHT	STEP RISE
2 STEP	STP-221	21.5" – 27.5"	9"
3 STEP	STP-222	27.5" – 36"	8"
4 STEP	STP-223	35.5" – 44"	8"

BEFORE YOU ORDER
A STEP review the **Quick Connect Step Pre-Installation Instructions** to determine the correct Quick Connect Step for your unit.

Visit MORyde.com for details.

AIRSTREAM® STEP

Give yourself sure footing into and out of your Airstream® with a StepAbove RV step system. Our innovative 2-step design fits your threshold to give you bounce-free, wobble-free stability. Adjustable feet mean rough terrain is no problem for your StepAbove. The lightweight design opens easily and stores conveniently in your door entrance.

FEATURES

- Retro 2-step design for Airstream®
- Lightweight pull-down design
- Durable construction
- Stores securely inside doorway
- Adjustable feet
- Industry-leading 500 lb weight capacity

STP-216

BEFORE YOU ORDER
A STEP review the **Airstream® Qualification Guide** to determine if the step will work with your unit.

Visit MORryde.com for details.

FLIP TREAD STEP

These sleek steps offer the same stability as our standard StepAbove. To ensure your unit stays clean, the treads of this step easily flip up to remove dust and dirt before they fold up into your doorway. Flip Tread Steps are ideal for normal entry doors as well as floor plans with interior steps that protrude into the doorway.

FEATURES

- Lightweight pull-down design
- Durable construction
- Secure storage inside door entrance
- Adjustable feet
- Industry-leading 500 lb weight capacity
- Collapsible treads allow for easy cleaning

3 Step – STP-217
4 Step – STP-215

➔ Please note: Handrail not available for this model.

BEFORE YOU ORDER A FLIP TREAD STEP review the **qualifier** to determine the best model for your unit.

Visit MORryde.com for details.

PATIO STEP

MORryde's ground stable patio steps offer added stability and safety as you enter and exit your rear or side patio.

FEATURES

- Easily attach and detach
- Durable construction
- Secure storage inside door entrance
- Adjustable feet
- Industry-leading 500 lb weight capacity

Please call MORryde to determine the best step for your unit.

STEPMates

Navigating Your RV Steps Made Easy

Products designed to work with your steps
for added safety, storage and convenience.

SAFE-T-RAIL

Entering and exiting your RV is now easier and safer with MORryde's Safe-T-Rail.

FEATURES

- Residential-style safety for your RV
- Telescopic rail extends 42.5" from the RV wall
- Provides secure, continuous rail surface
- Easy and quick to install
- Magnetic lock securely holds rail in place during travel

BEFORE YOU ORDER A SAFE-T-RAIL review the **qualifier** to determine if it will work for your unit.

SCAN THE QR CODE to view the qualifier.

SP56-469

LATCH EXTENDER

Offers additional leverage and stability when getting into your RV.

FEATURES

- Great for kids and seniors
- Attaches to door lock
- Longer handle = greater gripping surface
- Easier to reach and open door without going up and down the stairs

BEFORE YOU ORDER THE LATCH EXTENDER review the **qualifier** to determine if it will work for your unit.

SCAN THE QR CODE to watch the qualifier video.

SP54-200

HANDRAIL

Get added stability with the StepAbove handrail. Available for three and four step models.

FEATURES

- Lightweight design
- Left-side attachment
- Folds into entrance doorway
- Durable construction
- Black powder coated finish
- Simple bolt-on installation

Designed for **1ST GENERATION STEPABOVE**

3 Step
STP214-029H

4 Step
STP214-006H

Designed for **2ND GENERATION STEPABOVE**

3 Step
STP214-121H

4 Step
STP214-120H

Please Note →

36" of clearance inside the doorway is needed for any handrail to be added to your RV.

If you are unsure about which StepAbove model you own, please call the parts department at 574-293-1581.

STORAGE BOX

A perfect storage solution that replaces the stock steps after a StepAbove is installed.

FEATURES

- Lockable door to secure your items
- 27 3/4" wide, 10" tall and 10.5" deep, approximately 1.5 cubic feet of space
- The box is made of durable steel with a lockable aluminum door
- Durable powder coated finish
- Fits most step mounts
- Simple bolt-on installation

SP54-099

LOCKABLE DOOR →

BEFORE YOU ORDER A STORAGE BOX review the **qualifier** to determine if the Storage Box will work for your unit.

Visit MORryde.com for details.

STEPMates

MOTION ACTIVATED STEP LIGHTS

Illuminate your path with bright LEDs that attach to the bottom of the StepAbove or Lippert™ Solid Step.

Two lights included per kit.

FEATURES

- Sleek, low profile design
- Conveniently illuminates your steps for a safer entry and exit
- Magnetic attachment for easy removal
- Daylight sensor extends life of batteries
- LED lights offer a bright path
- On/Off/Auto switch
- Up to 48 hours of consecutive use

STP54-032

Removable
Magnetic
Mounting Strip

Battery Box

REMOVABLE HINGE PLATE*

Convert standard StepAbove steps to a quick-release style and easily remove them when a unit is in storage or parked in tight spaces.

26" Door
STP54-030

30" & 32" Doors
STP54-031

Please Note

* The Removable Hinge Plate is designed for the first generation StepAbove units. The quick-release style comes standard on the 2nd Generation StepAbove units.

STEP LATCH

Add a lockable feature to the Strut Assist StepAbove with a Step Latch.

FEATURES

- Provides additional security while stored in doorway
- Easy-to-use pull latch mechanism
- Simple bolt-on installation

STP57-169LH

STEP GRAB HANDLE

Create extra stability when lowering the StepAbove by adding a Grab Handle.

FEATURES

- Provides additional ease when lowering
- Attaches underneath step tread
- Simple bolt-on installation

STP54-044

Leave rough towing behind with MORryde's revolutionary Pin Box System. Its advanced rubber shear spring works to absorb towing shock for more comfortable, stress-free travel.

FEATURES

- Jerk-free starts and stops
- 3" fore/aft travel and 1.5" side-to-side travel
- Maintenance-free
- Reduces back-and-forth chucking and jerking
- Cushioned sensation over uneven roads
- Uses 100% natural rubber shear springs

UNIQUE RUBBER
SHEAR SPRING
ABSORBS SHOCK

BETTER HANDLING & SMOOTHER TOWING

To make things even smoother for you, our RPB System is available for aftermarket installation and installs in an hour on most 5th wheels. For more details, contact our Parts Department at 574-293-1581.

Gooseneck/Andersen Hitch Reinforcement Adapter Kit*

Used with a MORryde Rubber Pin Box when connecting to a gooseneck adapter or Andersen hitch. One size fits all MORryde Rubber Pin Box models.

RPB77-006

Pull Rite Adapter Kit

Used with the Pull Rite SuperGlide hitch.

RPB77-001

* Gooseneck sold separately. Installation of a gooseneck adapter will void the Rubber Pin Box warranty. Rubber Pin Box Fit Chart on page 15

To order a pin box system, please identify the following:

- Model Number of the stock pin box (usually found on a label on the pin box)
- GVWR* of the trailer: MORryde has a specific rubber spring for different weight ratings

OR

If the stock part number is *not* available:

- Determine the bolt pattern (A),
- Measure the width (B)
- Measure the distance from center of king pin to center of first row of bolts (C)
- Visit MORryde.com and search for the Rubber Pin Box identification guide to convert these measurements into a MORryde part number.

SP56-463

CORD KEEPER

Easily stores your 7-way power cord

FEATURES

- Great for travel trailers and 5th wheels
- Safe, secure cord storage
- Stores outside the Pin Box to discourage animals from building nests
- Helps prevent wire cuts and fraying
- Securely keeps cord off the ground
- Strong magnetic application

SUSPENSION SYSTEMS

Enjoy a smooth towing experience.

ALLTREK 4000

Designed to protect your trailer all the time, wherever you tow.

FEATURES

- Provides 4" of suspension travel
- Bolt-on, no crossmember required
- Over 40% more rubber for smoother, more comfortable towing
- Protects trailer from damaging road shock
- 3 year warranty
- The most rigorously-tested MORryde equalizer suspension to date

Use the **AllTrek 4000** qualification guide to determine compatibility.

Unique Travel Slot

	PART #	WHEEL BASE

Use the **CRE3000** qualification guide to determine compatibility.

Unique Travel Slot

INDEPENDENT SUSPENSION

The luxury suspension system.

The independent design of this system allows each wheel to respond individually to the road. That means your unit glides easily over uneven and rough roads to give you the comfortable ride you deserve.

FEATURES

- Smooth towing experience
- Suspension travel up to 5-1/2"
- Rubber shear springs absorb road shock
- 5-year warranty

Call 574-293-1581 to make your install appointment.

 * The disc brakes shown in the photo are sold separately.

Join the I.S. Owners' Club!

Ask the service department for details.

X-FACTOR CROSSMEMBER

FEATURES

- Designed to greatly reduce frame stress
- Provides added lateral strength
- Uses high-strength low-alloy steel
- Adjustable to fit different frame widths
- No welding necessary
- Easy installation

HEAVY-DUTY SHACKLE

The Heavy-Duty Shackle Kit is an excellent upgrade for your running gear.

FEATURES

- Thicker shackles for added strength
- Bronze bushings for more durability
- Greasable bolts for improved maintenance
- Complete peace of mind
- Lock nuts to ensure security

Part Number Description

RE21-004	Crossmember for MORryde LRE & RE suspensions
XF12-001	Crossmembers for standard frame hangers
XF12-002	Correct Track frame hanger adapter kit*
XF12-003	Drop-down adapter kit*

* Requires purchase of XF12-001.

Please Note 

- Only one crossmember per kit.
- The XF12-003 allows for 5" of clearance on the underbelly of the RV.

X-BRACE

X marks the spot when it comes to the simplest, most effective stabilizer on the market. MORryde's X-Brace stabilizers are a collaboration between MORryde and Winfield Products that install easily and provide enhanced lateral support. This means your trailer is stable, solid, and secure. Whether someone is walking inside the unit or you are experiencing strong winds, your trailer is rock solid because of the X-Brace design.

SCISSOR JACK STABILIZER

- > Provides exceptional stability
- > Stabilizer jacks lift vertically, with very little lateral stability
- > Installs onto existing stabilizer jacks & locks in stability
- > Uses a tensioning tool to tighten and adjust the X-Brace
- > Perfect for front & rear travel trailers with scissor jacks
- > Works on the rear 5th wheel scissor jacks
- > No drilling required

SP54-181

5TH WHEEL STABILIZER

- > Uses X-Brace design to provide exceptional stability
- > Installs in minutes unlike other products on the market
- > Unique turnbuckle design allows for easy adjustments
- > Helps distribute weight for a stable camping experience
- > No drilling required

SP54-180

HITCH MOUNT STABILIZER

- > For 5th wheels, Class C, Class A motorhomes and truck campers – just needs a 2" hitch receiver
- > Provides stability from excessive or unwanted movement
- > Unique design provides for simple installation
- > No drilling required

SP54-182

STABILIZERS

POWER CORD REELS

A simple way to store your power cord.

EASY REEL™ SPOOLERS

The Easy Reel™ delivers the simplest, smoothest, and most convenient way to effectively store your power cord.

FEATURES

- Store up to 50' of 50-amp cord
- Crank handle easily spools cord
- Left- or right-hand operation
- Rugged steel construction
- Space-saving design
- Designed for detachable power cords

Tall Reel

Stores up to 50' of 50-amp cord

DIMENSIONS:

7.6" w x 17.6" h x 21" d

or 25"d (open)

TV1-087H

Drop Down

The Drop Down Wall Mount moves out from the wall and drops down for a better viewing angle. The ability to drop your TV mount down allows you to reduce the glare that is all too common.

- Low profile when closed
- Pulls straight out
- Swivels for a variety of viewing positions
- Locks in place for safe travel
- 100x100 and 200x200 VESA

WEIGHT CAPACITY:

12lbs (min) - 20lbs (max)

DIMENSIONS:

13.3"w x 17.6"h x 5.2"d
up position

13.3"w x 29"h x 8.5"d
down position

TV56-129H

Horizontal Mounts Retracted

CEILING MOUNTS

Drop Down

The Drop Down Ceiling Mount saves space and allows you to keep your TV out of the way until it is needed. The friction pivot lowers the TV slowly and allows you to position it at many viewing angles. This mount is perfect for storing your TV in tight spaces.

- Swings down from ceiling
- Friction pivot allows for a variety of viewing angles
- Up to 24" TV
- VESA: 75 x 75, 100 x 100, 100 x 200, 200 x 200

DIMENSIONS:
8.6"w x 14.77"h x 5.58"d
(in down position)

TV1-080H

Flip Down

This mount is excellent for under-cabinet installation or reinforced ceilings. Flip down while viewing and flip up to store it out of the way.

- Swings up & out of the way
- Locks in for safe travel
- Swivel & tilt
- Up to 24" TV
- 100 x 100 VESA

DIMENSIONS:
6.5"w x 12.8"h x 8"d
(in down position)

TV56-010H

Slide-Out & Flip Down

This mount attaches to a horizontal surface or ceiling, most commonly inside a basement cargo bay. It can then slide out of the compartment, flip down, and swivel.

- Ideal for baggage compartments
- Slides out 17"
- Swivel & Tilt
- 200 x 200 VESA

DIMENSIONS:
8"w x 7.5"h x 21"d (min)
38"d (max)

TV40-010H

Conveniently holds dinette chairs
in place without straps

THE CHAIR BUDDY™

Conveniently secure the dinette chairs in your RV with the Chair Buddy. No need for bulky, awkward straps. The Chair Buddy holds everything in place during travel and folds out of the way when you don't need it. Look for the "T" in the handle to ensure it is a genuine MORryde Chair Buddy.

FEATURES

- Effectively secures your chairs which helps protect from damage while traveling
- Clean, sturdy design
- Installs in minutes
- Easily folds out of the way
- No straps

Don't have a vertical column to attach your Chair Buddy?

No problem! Our Chair Buddy adapter allows you to attach your Chair Buddy to the underside of your tabletop.
