

Trail Kitchen Accessory: **JP54-076**

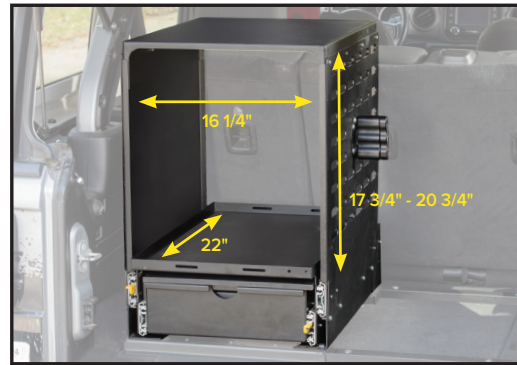

ADJUSTABLE TRAIL KITCHEN ENCLOSURE

PRODUCT QUALIFIER

Designed to be used with the JP54-038 and JP54-060 Trail Kitchens

1 The Adjustable Fridge Enclosure requires space to accommodate a 17 3/4" wide x 26" high x 24" deep footprint.

2 The opening for the Adjustable Fridge Enclosure is 16 1/4" wide x 22" deep and has an adjustable height of 17 3/4" to 20 3/4".

3 Keep in mind that if:

- a. The cooler/fridge/container being used utilizes all of the allowable depth **and**
- b. Has a handle on each end.
- c. The innermost handle (furthest from the front opening) may require removal per interference from the back metal strap of the enclosure or the seat/wall that the rear of the enclosure may be up against. Ensure the item has removable handles or that there is enough space outside of the rear of the enclosure to accommodate the item being placed inside it.
